Have you attended an IMI Event? If not, you are missing out!

Following the launch of the Society's partnership with the IMI in September 2016, a number of our members have attended the IMI CPD and Masterclass events. The feedback has been extremely positive:

"It was the best event I've been at!"

"The speaker was world class and the topic was really thought provoking"

"I would encourage everyone to attend these events"

"It was really energising to think outside the usual actuarial themes and topics"

Don't miss your chance to attend upcoming IMI events.
