

1 Our Vision

Actuaries are trusted as experts in evaluating risk and financial uncertainty.

2 Our Mission

Member Support

Actuarial Standards

Public Interest

1. To support actuaries throughout their career so that they have the skills, attributes and knowledge appropriate to their roles and the current and future needs of actuarial practice.
2. To develop, maintain and enforce actuarial standards that require actuaries to advise their clients with integrity, professionalism and objectivity.
3. To serve the public interest by promoting thought leadership and contributing as an independent voice on matters where an actuarial perspective can add value.
