- Mentoring can be formal or informal, a long or short process, done in person or remotely – it's entirely up to you!
- Mentoring can help if you are new to the actuarial community, and need a bit of guidance in adapting to the Irish standards of practice.
- Mentoring is a great way to develop your network.

TESTIMONIAL: DHEERAI AGARWAL, SENIOR ASSOCIATE

"I was new to living and working in Ireland but was lucky to be part of the Society. The SAI's mentoring programme is a simple way to get support; it fosters team spirit and is designed to help everyone who calls for it. It helped me to validate my thoughts and gain valuable guidance for future exams. I would recommend everyone to use the SAI's mentoring programme as no one should be alone on their journey to becoming an actuary."
