

Society of Actuaries in Ireland

Convention, May 2009

Plenary Session: Reviewing our Goals

Strategic Plan

Longer-term direction

7/2008 to 7/2011

Deciding priorities for the year ahead

Today's Session

Your Society

Your input/views

1. Developing the role and standing of the profession

- i. What (once-off or recurring) actions could the Society take to improve effectiveness in relation to this role?
- ii. Suggest the top 3 or 4 actions where should we focus resources? *Tables 1 (John Armstrong) & 10 (Eamonn Heffernan)*

2. Supporting actuaries throughout their career

- i. What Society activities do you currently find useful, in terms of supporting you in your career?
- ii. What actions should the Society take to improve effectiveness in relation to this role?
- iii. Suggest the top 3 or 4 actions where should we focus resources? Tables 2 (Frank Downey) & 11 (Kevin Manning)

3. Develop, maintain and enforce actuarial standards

- i. Are we achieving this role well or not? Identify concerns.
- ii. What actions should the Society take to improve effectiveness in relation to this role?
- iii. Suggest the top 3 or 4 actions where should we focus resources? Tables 3 (Mike Claffey) & 12 (Michael Madden)

4. Impacts of the economic crisis

- i. For each of the actuarial practice areas, what are the key impacts of the economic crisis that need to be considered by actuaries?
- ii. What actions should the Society take to support actuaries in addressing the impacts of the economic crisis?

Tables 4 (Donal Casey) & 13 (Rosemary Commons)

5. Solvency II

- i. What actions should the Society take to help members to prepare for Solvency II?
- Suggest the top 3 actions.

Tables 5 (Dervla Tomlin) & 14 (Declan Lavelle)

6. Enterprise Risk Management

- i. What actions should the Society take to help actuaries to advance, and be key players in, the ERM agenda?
- ii. Suggest the top 3 actions.

Table 6 (Padraic O'Malley)

7. Image and influence

The Society seeks to advance its positions on public interest matters through dialogue with policymakers and does not aggressively seek media attention.

- i. What are the pluses of this strategy?
- ii. What are the minuses?
- iii. What actions should the Society take to improve its effectiveness in enhancing the profession's image and influence (whether in respect of specific matters or generally)?
- iv. Suggest the top 3 priorities.

Table 7 (Damian Fadden)

8. Regulatory frameworks

- i. What are the pros and cons of principles-based regulation?
- ii. What are the pros and cons of rules-based regulation?
- iii. How should the profession respond to a changing regulatory environment, and in particular a shift from principles-based to rules-based regulation?

Tables 8 (Jim Murphy) & 15 (Gareth Colgan)

9. Resourcing the Society's activities

The Society has a heavy reliance on volunteer input to carry out its activities and achieve its goals.

- i. What are the advantages and disadvantages of a volunteerism model?
- ii. What can we do to maximise the volunteer input how can we foster members' willingness and ability to contribute?
- iii. Is it likely that volunteer input will continue to be available in coming years?
- iv. If not, how should the Society address this issue?

Tables 9 (Peter Gough) & 16 (Philip Shier)

Next Steps

 We will circulate today's feedback via the Society's online Discussion Forum

 New Council will meet in July to decide on strategic priorities for 2008/2009
