- Derek McNamee (Compliance Monitoring/Conflicts)
- Brian Mulcair (Accounting standards)
- Liam Quigley (Benefit design)
- Tom Gallagher (International)
- Martin Haugh (Secretary)
- Gerry O'Carroll (Chairman)

“New regulations and what are suitable parameters to use have prompted discussions at various levels within the profession, but a broad membership view has not emerged. As such we are in danger of creating a poor perception of the profession in the eyes of various stakeholders. Pension issues are making the headlines every week, and, although we have berated the government over its delays, have we done enough to put our own house in order?”
