

Allen M. Klein, FSA, MAAA
Milliman, Inc.

Al is a consulting actuary with Milliman's Lake Forest / Chicago office. He joined the firm in 2009.

Al's primary responsibilities include industry experience studies and helping clients with life and annuity product development and reinsurance related issues. His expertise includes mortality and underwriting related issues, including older age, simplified issue and preferred.

Prior to joining Milliman, Al most recently worked for a large stock life insurance company where he was responsible for experience studies across all lines of business. He has also worked for other life insurance companies, a reinsurer and consultant, where he has been responsible for strategic planning, product development and traditional reinsurance aspects of the business.

Al is a frequent speaker at industry meetings and is currently involved with a number of industry activities, including:

- SOA Board of Directors
- SOA representative for the Mortality Working Group of the International Actuarial Association
- SOA Mortality and Underwriting Survey Committee
- Joint AAA / SOA Preferred Mortality Oversight Group
- Joint AAA / SOA Underwriting Criteria Team
- SOA 2014 VBT Older Age Sub-team
- SOA Longevity Calculator Development Team
- Longer Life Foundation Advisory Board

Al received a Bachelor of Science degree in Actuarial Science and Finance from the University of Illinois, Urbana.
