“Risk Management Perspectives” Conference

Four Seasons Hotel, Simonscourt Road, Dublin 4

Tuesday, 18th November 2014

The Society of Actuaries in Ireland is delighted to announce details of its “Risk Management Perspectives” conference. For Biographical details of the speakers, costs, and to book online go to:

www.actuaries.ie/events.

The “Risk Management Perspectives” conference will provide attendees with insights into the challenges and opportunities that risk management creates for organisations. Speakers will include experts with banking, insurance, pharmaceutical and energy backgrounds, and the Central Bank of Ireland will also be represented. The programme also includes two panel discussions, giving attendees the chance to engage in an active discussion on putting risk management principles into practice, both within a Solvency II context and more widely.
